## MORNING SERVICES (9.30am & 11am)

### PARABLES

Jesus' parables are among the best known stories in the world. Even if people don't know anything about Jesus, they've come across expressions like 'prodigal' and 'good Samaritan'. Jesus was a master storyteller. Stories entertain, inform, involve and motivate us. But parables are more than just stories because they show us what it means to encounter God and live his way. (Jul 4 – Sept 5)

### LIVING IT OUT

1 Peter was written to encourage Christians who were facing fierce opposition, like the many Christians of our own day around the world who face persecution. The consequences of becoming a Christian in Peter's day were serious. We may not face persecution, but Peter's words encourage us to stick with our faith and to live it out. (Sept 12 – Oct 31)
